HELP! I Volunteered to Coach...What do I do? Many first time coaches volunteer or are volunteered for the job. First things first...Relax. Relax and think about how much fun you are going to have with these little Under-6 and Under-8 soccer players.

Goal:

Create a fun, learning soccer environment for your players in training and in games.

How?

- Talk to the Program Director at your club or Association and request helpful coaching materials, coaching aids, and advice.
- Talk to other Soccer Coaches in the program or in your community who have worked with these age groups before.
- Call the State Office and request helpful coaching materials and coaching aids or visit their website at www.stxsoccer.org for an up to date list of scheduled coaching courses.
- Call the State Director of Coaching or Director of Program Development about specific age appropriate coaching courses and age appropriate training materials.
- Call US Youth Soccer at 1.800.4SOCCER or visit their web site at www.USYouthSoccer.org and request and/or order helpful coaching materials and coaching aids.

First Steps:

- **IMPORTANT** - Contact Your Players within 48 hours of receiving your team rosters.
- Give them the day and time you will be having practice
- Let the players know what they should bring to practice; proper size soccer ball (Size 3 for

U8 and below, Size 4 for U9/U10), shin guards, water bottle, soccer shoes, etc..

- Download and get familiar with the [Rules of the game](#) .

Team Management: Prepare a list of simple and clear rules for your players and their parents. Conduct a preseason meeting to review these rules with both players and parents, go over other important information about the season, and to complete important administrative paperwork prior to the start of the season. *Consider the following as*

discussion topics:

- Schedules and locations for training sessions and games.
- Drop off and pick up times for training sessions and games.
- Player responsibilities and behavior at training sessions and games.
- Parent responsibilities and behavior at training sessions and games.
- Player equipment (#3 soccer ball, shin pads, soccer shoes or sneakers, water, appropriate clothing).
- Coaching equipment (#3 soccer balls, 25-30 cones, 10 vests/pennies, basic first aid kit, small cooler of ice and zip lock bags).
- Fill out program registration forms and medical release forms.
- The procedure for canceling training sessions and games.
- Your philosophy of coaching...it's about player development, not winning and losing!

Risk Management:

Provide proper age appropriate activities at training sessions and games.

Assure that training and playing areas are safe.

Make sure that all players are wearing the correct equipment and that it is appropriately sized.

Make sure that you are assisted by another adult when coaching the players (This includes the time when players arrive and when they depart from training sessions and games).

Create a plan for any medical emergencies/injuries. **The Training Session - Under-6 Format**
Duration is 45-60 minutes.
